

Family Support and Community Engagement

CEDA's Department of Family Support and Community Engagement (FsACE) offers a range of services to Suburban Cook County residents, which assist low-income people in attaining skills, knowledge and the resources necessary to achieve self-sufficiency. The program may also provide direct client assistance to help remove barriers to self-sufficiency. Clients must sign and comply with a service agreement to be eligible for direct client assistance.

FAMILY NUTRITION PROGRAM

The CEDA CSBG funded Family Nutrition Program, Greater Chicago Food Depository and participating member agencies* are working together to provide access to fresh, nutritious, high-quality produce and nutrition education to income eligible families in suburban Cook County.

Meet with a CEDA FsACE Case Manager to determine if you may be eligible to participate in this program at no cost to you and your family.

Restrictions apply.

*For participating member agencies see list on back.
